Rose Petal Jam at H-TEA-O

“H-TEA-O Tea Garden”, the Specialist Tea House in Causeway Bay, have created their own Rose Petal Jam that is now available with their Afternoon Teas. As a special Launch offer, Rose Petal Jam will be served at no extra charge until the 19th October 2008, which is our 4th Anniversary of being in Hong Kong.

H-TEA-O is one of the few places in Hong Kong serving real Rose Petal Jam with their afternoon tea. (We think that the Mandarin is the only other location.)

The Rose Petal Jam is made in-house by H-TEA-O to a family recipe.

Made from beautiful red Damask Rose petals, especially grown to be used for food products, the jam has a heavenly fragrance that is perfect with warm scones and clotted cream or for an afternoon high tea.

H-TEA-O have some of the best afternoon teas in Hong Kong. You can select one of their extensive range of over 70 premium teas and tisanes to go with a Summer High Tea on a tiered bone china stand or the English Cream Tea with authentic scones and genuine Cornish clotted cream flown in from the UK. The afternoon teas can be enjoyed in the calm comfort of the Tea Garden in Causeway Bay.
